ABOUT MEIRUIER

ANHUI MEIRUIER FILTER CO.,LTD.

Anhui Meiruiier Filter Co., Ltd. was founded in January 2009. It is a national high-tech enterprise integrating R&D, production and sales of oil filters, diesel filters and air filters. We join in the drafting of national mechanical industry standards and a member of China Internal Combustion Engine Association.

The company covers an area of more than 46000 square meters, more than 200 employees, and has more than 30 professional and technical engineers. Its products are exported to Europe, America, South America, Middle East and other regions, and has established a perfect sales network in various provinces and cities of China. We cooperated with several vehicles' manufacturer and tens of OE supplier from Domestic and International corporation.

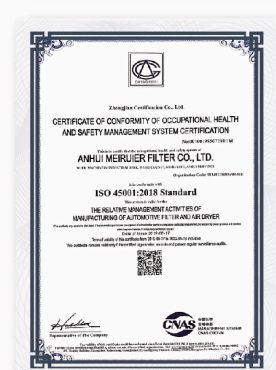

We use "ERP, OA, PLM, CRM" management system to enhance business collaboration management.

ISO14001:2015
